Award Procedures and Conditions.

- The award is presented for the best researches published in Dr. Sulaiman Al Habib Medical Journal. In order to apply to the Award this application must be completed and sent to: Excellence.Award@drsulaimanalhabib.com.
- This Application must be submitted only by the printable investigator or the corresponding author of the accepted manuscript at HMJ.
- All accepted publications at Dr. Sulaiman Al Habib Medical Journal (HMJ) are examined at the end of each year by five national and international examiners as follows:
 1. Three members from HMJ editorial board.
 2. Two independent international examiners who will be carefully selected from internationally acclaimed academics and researchers.
- The first three awards must be original researches in diseases treatment, pharmaceutical innovation, and biomedical technology.
- The fourth award is presented for the best reviews (Systematic Review, Meta-Analysis, Meta Synthesis or Narrative Review). The award will be presented for the best four reviews (50,000 SAR for each research).
- The fifth award is presented for the best three student researches (50,000 SAR for each research). This Award is only applicable for students affiliated in Saudi Universities.
- The sixth award is presented to the three winners in the Fellowship and Residency Programs at Saudi Commission for Health Specialties (50,000 SAR for each research).
- Each Principle Investigator (PI) can apply for only one award from the above mentioned categories for one time unless the research topic is different.
- Application starts at the beginning of the each calendar year (January 01).
- Researcher submission of research's deadline is in the (August 30, 2021).

- The award announcements are released in the fourth quarter of each calendar year.
- The researches must address an aspect of national and international medical research priorities

I'm applying on the behalf of the research team of the accepted manuscript published at HMJ.

I acknowledge reading and accepting the Award procedures and conditions.
