# Our Geographic Footprint

As HMG grows to be the most trusted healthcare provider in medical excellence and patient experience, we are enhancing our existing healthcare facilities while expanding our footprint to new regions.

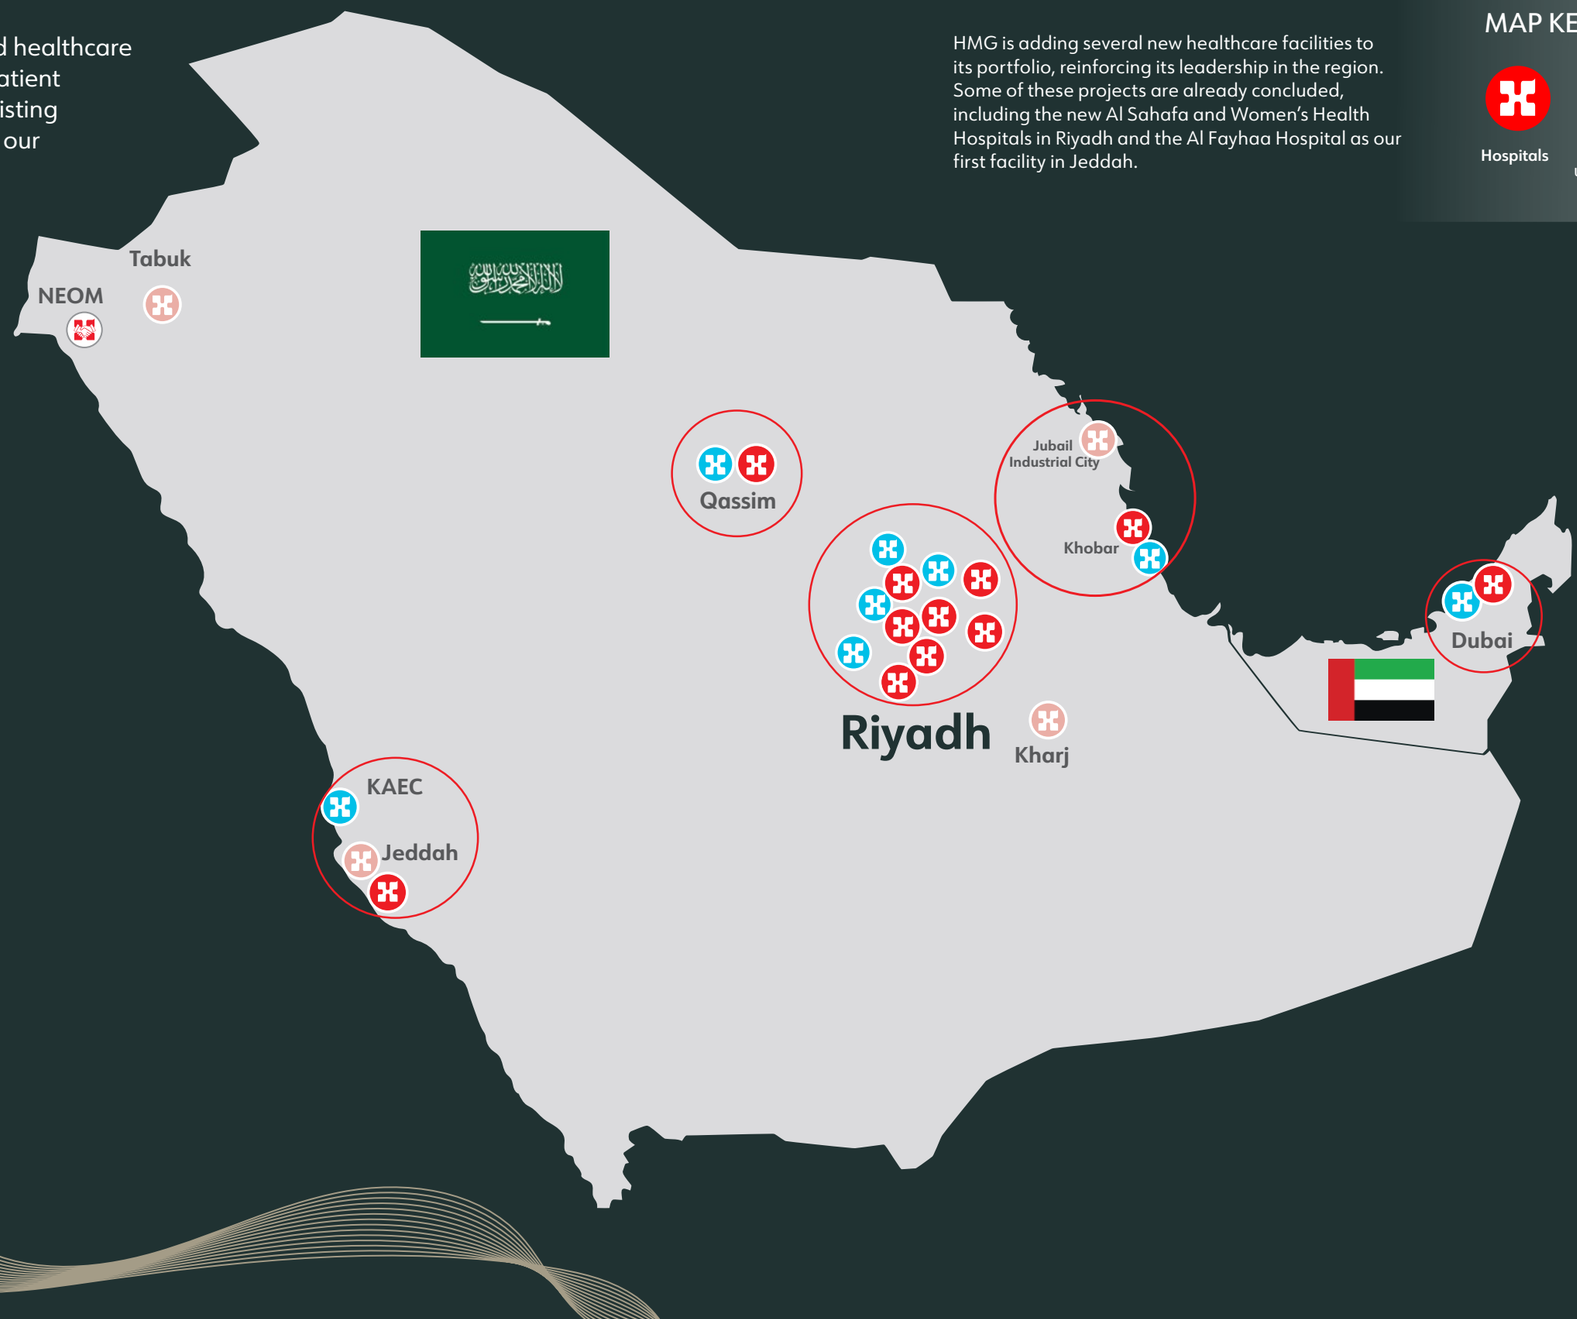

**25+**
Medical Facilities

**35**
Pharmacies

**4,500+**
Physicians

**60+**
sub-specialties

HMG is adding several new healthcare facilities to its portfolio, reinforcing its leadership in the region. Some of these projects are already concluded, including the new Al Sahafa and Women's Health Hospitals in Riyadh and the Al Fayhaa Hospital as our first facility in Jeddah.
