

Year in Review

During another award-winning year of strategic progress and growth, HMG solidified its position as the leading private healthcare provider within the Kingdom and an innovative force in the region's healthcare sector through a wide range of new openings, high-impact partnerships and technological advances that are set to expand our reach and elevate patient experience.

Opening of Sahafa Hospital in North Riyadh

We launched the largest and most advanced private healthcare facility in the Kingdom at Sahafa Hospital in North Riyadh. Covering 43,600 m² with a more than 500 bed capacity, the eco-friendly hospital features multi-specialty clinics, specialized centers and a helipad for critical emergencies.

Opening of Fayhaa Hospital in Jeddah

We opened Fayhaa Hospital in Jeddah, the city's largest private hospital at over 30,000 m² with a more than 330 bed capacity. The state-of-the-art facility features cutting-edge technologies used throughout the Group's facilities, such as AI and smart health systems for seamless digital services from appointment booking to post-discharge care. It offers multi-specialty clinics, including emergency care, an advanced Cath Lab, digital operating rooms and a modern radiology department.

Opening New Women's Health Hospital in Riyadh

We announce the opening of our Women's Health Hospital in Riyadh, with operations. This modern 145-bed facility is dedicated to addressing the unique healthcare needs of women, reflecting our commitment to specialized care.

Expanding our Medical Center Services

HMG opened two new medical centers in Buraidah City and KAEC offering comprehensive healthcare services at the highest standards. The centers provide specialized medical care across various clinics, supporting the Group's expansion strategy across the Kingdom.

Cooperating with Prestigious British University Hospitals

We partnered with two leading institutions - University Hospitals Birmingham NHS Foundation Trust and Guy's and St Thomas' NHS Foundation Trust to enhance medical education and provide specialized training opportunities for our doctors. We also collaborated with the University College of London Global Business School for Health on research and executive education, strengthening healthcare leadership and quality in the Kingdom and beyond.

Saving Lives Through 91 Kidney Transplants

Our partnership with Al Rajhi Bank delivered 91 kidney transplants under the slogan "Creating Life". This achievement was celebrated at our Suwaidi Hospital, as this 18 million initiative transformed lives, and demonstrated our unwavering commitment to community health.

Supporting Pilgrims during Hajj

We maintained our legacy of serving pilgrims during Hajj by deploying urgent care centers and emergency points across the holy sites. We also hosted a blood donation campaign at Qassim Hospital, in association with the Ministry of Health, the Health Cluster in the region and the My Blood Charitable Blood Banks Association, to ensure a smooth and healthy Hajj season for pilgrims during their sacred journey.

HMG Honored With "Top Employer" Award

His Royal Highness Prince Mohammed bin Abdulrahman bin Abdulaziz, Deputy Governor of Riyadh, awarded HMG the "Top Employer" title in the private sector for its efforts in recruiting, employing and developing national talents.

Achieving a World-First Recognition in Ophthalmology

We made history as our Olaya Medical Complex became the world's first ophthalmology center accredited by the Surgical Review Corporation (SRC) as a Center of Excellence, highlighting our leadership in ophthalmology and commitment to quality and safety in patient care.

Serving and Sponsoring Community Events

We proudly sponsored the 2024 Saudi Games and extended our partnership with the Saudi Motorsport Company for the 2024 Formula 1 Saudi Arabian Grand Prix. At the inaugural Saudi Smash table tennis championship in Jeddah, we provided on-field medical support with highly equipped teams.

Additionally, we continued our Riyadh Season sponsorship for the fifth consecutive year, covering key areas including Wonder Garden, Boulevard City, Boulevard World, Suwaidi Park, Riyadh Zoo and The Groove.
